輪廻の花咲く街で
あなたと出逢った

Lan is going home tomorrow.
I understand that's the way it's supposed to be.
I'm simply going back to the life I lived before she came here.

knock knock
Yes?
Ah, Lan!
...
I can't get to sleep. Can I stay in here with you?
Of course! Do you want to sleep together tonight?
nod

It's nothing.
Lan? What's wrong?
squeeze
I don't want to go home...
Madoka...
You have to!
Eh...
There are things you need to do back home, right?

I'm glad I was able to meet you, Lan.
There was all sorts of trouble ever since I was able to pilot Midori. Still, I'm glad I met you and Muginami.
That's why you have to come back! Let's live together again, okay?

No, it's okay.
I'm sorry if I said that too harshly.

面白く観てました。

でも『あの戦いから○年後』とかなりそうな気も
してるんですよねー
もういっそ20年後とかで、まどかの娘とランの
なんてことにしてみたらどうですかねえ
無茶か（汗
